Dear Team Traci:

Can one of you give me an update on this please? My neighbors on Barbara Avenue and Wasatch Avenue in Mar Vista and I have been waiting for **THREE YEARS** for some movement on this properly submitted OVP request. We have gone through four field deputies in the Bonin years. I realize you all are the new team, so I'm hoping this might now be expedited.

Please see thread below as well as attachment for context. Thanks.

Hi Shany,

Happy June (well, almost June). It's now been two years and two months since I first submitted my OVP for Wasatch/Barbara in Mar Vista. Would love to know what the status of my request is, as I have two streets worth of neighbors asking me about on a regular basis.

Thanks so much!!!

Thank you for your email.

Our office will be addressing the backlog in coordination with the LA Department of Transportation, and as such, I will be sure to flag your petition from April 2020 once that review begins.

Hi Shary,

Hope you are well. I was glad to hear this news that the moratorium is now over and that Los Angeles will be enforcing the removal of prohibited vehicles.

I believe this is what you were waiting on to revisit our submitted OVO for Barbara Ave/Wasatch Avenue (attaching again for your convenience.) Since we submitted this almost two years ago (April 30, 2020), my neighbors and I are hopeful ours will be one of the first petitions to be addressed.

Thanks for all your hard work on our behalf.

Hi Maggie,

I have heard back from my team and our office has not introduced OVO resolutions since the RV towing moratorium has gone into effect.

I believe we are expecting some movement on this issue to be forthcoming but I cannot guarantee as it will require legislative action at the City Council to repeal the moratorium.

Once the moratorium is lifted, we will revisit OVO restrictions. This location is on the office's pending requests lists and I will be sure to prioritize it myself in those conversations.

Please let me know if you have any other questions.

Hi Vishesh,

That all sounds great and so kind of you. Our petitions (attached again here...one for Barbara and one for Wasatch) were submitted a year ago this month...so I've got lots of eager neighbors who signed asking me about status. Just to give you the full circle pitch, this all got started when I took my dog out for a walk and found human waste on my sidewalk and parkway garden from a camper that had been parked there for over two weeks. I'm a pretty chill person Vishesh, but that motivated me to find out if there was anything I could do...and I think it was Hannah who advised me about the petition process.

Now I'm involved with the Arbor Committee on our street trying to convince my neighbors to let City Plants install beautiful trees along our parkway gardens (I had already worked with the City Plants folks on this and have beautiful trees in my parkways both on Barbara and Wasatch). But every neighbor I go to starts asking me about the petition for oversized parking restrictions...LOL.

So I'm super eager to move forward with the petition...and then I can help get gorgeous baby trees on our street...I'm all about making lemonade out of lemons, Vishesh and despite these challenging and surreal times, we can all do things to beautify our neighborhoods, make someone's life easier, appreciate what we have, etc.

So any help and guidance you can offer is SO GREATLY APPRECIATED. Hope we can say hello in person soon. Do you ever go to the Mar Vista Farmers' Market?

Final note, I'm gathering my strength so that hopefully I can take on the Mar Vista Green Garden Showcase again next year as Chairperson. It's a big job but I loved doing it and it was so much fun and I know it's something Mike wants to swing his support behind according to Hannah, who has been so great to know and work with.

Onward, right?

Take care and be safe.

Maggie

Hey Maggie,

Thanks for reaching out! Apologies for the slightly delayed response — it's been a hectic week on my end.

I know a lot of the petitions processes for parking restrictions/changes are still on hold by LADOT. But let me follow-up and see if there has been any update.

BTW, I'm the current Chair of the Mar Vista Green Garden Showcase (though we haven't done it in a couple of years due to pandemic) and worked closely with Hannah Leven and Mike has come to a neighborhood meeting at my house in Mar Vista. I'm a big fan.

Happy Weekend.

Hi Nick,

First off, hope you are well and that you have come through this ordeal to this point safe and healthy. All good on my end, I'm happy to report.

As things start looking up, cautiously at least, many neighbors on Barbara Ave and Wasatch Ave have been asking me about the status of our OVP petition. Can you advise on the status?

I'd like to report back to my neighbors and I surely would like to see some progress on this, that would be such a bright spot in these challenging times.

Thanks Nick. Stay well.

Dear Nick,

Attached are two OVP petitions covering these two streets: Barbara Avenue and Wasatch Ave in Mar Vista.

1. Barbara Avenue between Centinela and Frances
 - a. We have 33 of 35 homes signed up = **94%**
2. Wasatch between Matteson and Mitchell
 - a. We have 13 of 17 homes signed up = **76%**
3. We have met the requirement of **67%** assent among residents for both streets.

Please advise at your earliest convenience if you need anything else from me. We are all very excited about getting signs prohibiting oversized vehicle parking on our intersecting streets asap.

Stay safe and thanks for all you do for our Mar Vista community. We are all so grateful. Please acknowledge receipt of this email.

Hi Sean, do we have a motion similar to this for Westchester, Playa Del Rey, Playa Vista and Ladera? I can't find one. I'm at a loss why there wouldn't be one for our communities as well. Thank you kindly, Paula.

Good morning.

Hope all is well with you.

Could you please amend your resolution to include the Del Rey community.

RV's from Westchester area will probably migrate to the Del Rey area, including Glencoe.

Thanks,

Mark Silverman

Hello Mark,

The process requires extensive community engagement through the circulation of a petition. I've attached that below. Constituents must circulate the petition themselves and get signatures from the residents or business owners on that block for which they seek to have the signage. Once they do, they submit it to us at the Council Office; Councilwoman Park will then submit the locations via a resolution before the full City Council. The process of scheduling that may take upwards of two weeks.

Regular enforcement is another matter, contingent on resources and manpower from LADOT. We seek to make the site an enforced one but will have to work within the constraints of our City resources. At the moment, we are planning for future enforcement by getting all the hotspots in order through signage to update our profile of the areas that need the most attention.

If you have any questions, do not hesitate to ask.

Dear Council Member Park and Staff,

My husband and I are proud to be new residents of the 11th District, having just purchased our first home on Amherst Ave. on the border of Mar Vista and West LA. We have enjoyed getting to know our neighbors and mostly love our new neighborhood. Unfortunately though, since moving in only 2 weeks ago, we have learned of a few incidents of burglary and criminal activity in the neighborhood that have made us uneasy. We've also noticed that on Pearl Street, which is our nearest cross street, there have been several RV/camper vehicles parked since we arrived. These vehicles not only foster an unsafe environment and detract from the neighborhood's charm, they run gas-powered generators continuously and release toxic fumes into the air a few yards from our home. While we understand crime and homelessness are long-term, intractable issues that the City Council is working hard to address, we believe concrete action would immediately remedy the specific harms caused by the RVs.

In speaking with our neighbors, we learned that on the other side of Pearl Street, East of Bundy, signs were installed similar to the one attached. Since then, none of these vehicles are parked on that side which is great for those residents, but unfortunate for us as they have simply relocated to our side of Bundy where we do not have signs. Our neighbors reached out to LADOT about getting new signs and they indicated we will need a City Council motion to have new signage added.

We believe installing these signs will quickly and positively impact our health and safety and that of our neighbors. I would greatly appreciate your attention to this matter, and am requesting a petition to gather our neighbor's signatures in support of a motion by the City Council to install them.

Please find prior communications from our neighbor, Theo Swerissen, to your office on this topic.

Sincerely,

A handwritten signature in black ink that reads "Carly Joseph".
